INJURY POLICY

Purpose of our Policy

The Bayside Raiders Netball Club is dedicated to promoting and encouraging safety and supporting the safety efforts of its individual coaches, managers and participants.

Policy Guidelines

- The club recommends an injury be assessed as soon as possible after it occurs either by a medical doctor or at a sports injury clinic. The impact of an injury is often determined by how quickly its management can be implemented.
- It is essential that the coach receive accurate information about the injury, rehabilitation requirements, time out from training and matches and the recommended re-entry into netball.
- A player returning from illness or injury that has required medical attention is to provide the coach with a written clearance to resume training or playing; such clearance is to be provided by the player's doctor, physiotherapist.
- Club coaches will be cautious in the return of any injured player and will introduce the player gradually to full court time. Re-entry must be through training before a return to match play.
- Where practicable, players should continue to attend training and help the coach. This is excellent for team culture and keeps the injured player involved in team strategies.

PICK UP AND DROP OFF POLICY

Our commitment

Our club is committed to providing a safe environment for the participation of children and young people. Part of this is ensuring that children and young people are not left alone after practice or games.

What we will do

- Make sure parents/guardians and children know the time and location of practice and games and when they can expect to collect their children.
- Request coaches and other sporting personnel to arrive before scheduled practice or game times.
- Give coaches a register of parent/guardian emergency contact numbers and make sure they have access to a phone.
- Ensure that if parents/guardians are late, coaches will try to make contact with them and:
 - Ask the second to last child and their parent/ guardian to wait with the coach/official and the child
 - Get parents/guardians to collect their children from school grounds from the coach.
 - Avoid transporting children to their homes unless parents/guardians have given permission.

What we ask you to do

- Pick your children up on time or make other arrangements.
- Inform the coach about any changes in arrangements for picking up your child.
